

The Pinto Horse Society Wa inc, has 6 different sections you can register your horse with us,
Horses, Ponies and Miniatures eligible to be registered.

**** Full pinto under 10.2hh –** have to meet our colour requirements and have most, if not all pinto characteristic and markings and be 10.2 hh or less. Parentage is an asset as it is proof of breeding and the class grading

**** Full pinto 10.2hh to n.e 14 hh -** have to meet our colour requirements and have most, if not all pinto characteristic and markings and be 10.2hh to n.e 14hh
Parentage is an asset as it is proof of breeding and the class grading

**** Full pinto over 14hh-** have to meet our colour requirements and have most, if not all pinto characteristic and markings and be over 14hh, Parentage is an asset as it is proof of breeding and the class grading

* **Solid pinto –** must have at least one parent registered with the pinto horse society wa inc. and any height

* **Appendix -** that does not meet colour requirements, generally these will be Sabinos but can be less than minimal tobiano/overo. It is preferred, but not necessary, that they have some proof of breeding.

* **Pintaloosa -.** carries the markings of both Pinto & Palouse/Appaloosa.
Can't be shown as a Pinto

**** 2** registered parents with The Pinto Horse Society WA inc or
1 registered Pinto parent and 1 registered stud book parent
(eg. Arab, APSB, Shetland, Thoroughbred, etc.) = Class A

**** 1** registered parents with The Pinto Horse Society WA inc = Class B

**** 0** registered parents with The Pinto Horse Society WA inc = Class C

Futurity - Any Pinto entered in the Futurity MUST have one parent fully registered with the Society & one parent in a recognised stud book. Certificate of Service required.
